Could you imagine yourself being a PhD student?

Programme:

- Merete Birkelund will give an introduction to the PhD programme in *Language, Linguistics, Communication & Cognition*
- Two PhD students will talk about their experiences:

 - **Christina Emborg** (current 4+4 PhD student from Linguistics)
- Ask us questions about (almost) everything (in English as well as **på dansk**), such as: How and when do I get started? How do I manage to live on a scholarship? How do I arrange a semester abroad? What it is like to teach?

Coffee and cake will be available free of charge ...
