You are invited to sign up for PhD Career Day 2019 and pre-event - this could be the kickstart to your career!

Join us on the 14th of November 2019!

What is PhD Career Day and who is it for?

PhD Career Day is an annual event organized by AU Career PhD & JR where young researchers (both PhD and Junior Researchers) and leading Danish and International companies can meet and network.

PhD Career Day is a great opportunity to meet the representatives from these leading companies. You can hear what they are looking for, figure out what they can offer and make some great contacts that might be valuable for your future career!

What happens on the day?

Pre-event
Get the edge and start with signing up for our pre-event, “Getting Ahead: Recruitment Insights with Company Panel”. Companies such as Novo Nordisk, give unique insights into what employers are looking for and their recruitment processes.
